

Who needs to get connected to Club Beyond?

- Students in junior high and high school (grades 7-12)
- Parents of students in middle and high school
- Adults who are looking for a challenging volunteer job

Military Community Youth Ministries (aka Club Beyond) has been around for over 25 years, serving military families and chapels. We are a chapel-sponsored youth ministry, and our staff are professionals who love kids and want to encourage their spiritual growth. We welcome any student in the Vilseck/Graf communities who wants to participate. Parents are always welcome to come along, to ask questions, and to give us feedback on our activities. Volunteers are always needed, too. Come and see how you could fit into the Club Beyond family!
